

Naija Housewives Hangout

This is a networking event for members of Naija Housewives. It is a time for us to meet, get to know each other, make contacts and talk about our businesses. If you don't have a business, you could get an idea for one and maybe a mentor.

Because we are mostly busy, we want to keep this really short. ALSO we only have space for 15 people. The details are below:

Date: 17 May, 2014

Venue: To be communicated

Time: 9:30 AM to 10:30 AM

If you have products for sale, feel free to come along with them.

There will be a *small* fee which will cover snacks and drinks. We'll let you know once we get the final figures.

If you are interested, please fill the form below so we can get in touch with you and reserve your spot.

Thanks!
